About Macomb County

Macomb County is an enriching community in Southeastern Michigan that has one of the state's fastest rates of growth. Its 825,000 residents make it Michigan's third-largest county, with direct access to Lake St. Clair and Anchor Bay, and a host of cultural and entertainment options. Its highly skilled workforce and investment in new and expanding businesses make it open to enterprise. Active civic leadership translates into balanced budgets and Michigan's second-lowest tax rate. An increasingly diverse population and high quality of life make Macomb County accessible to all.
